

Robbia Full wall

Robbia Half wall

Ennio Pasini

Wall mounted luminaires for diffused incandescent or fluorescent lighting, (plexiglass fluorescent only).

- diffuser in white opaline handblown glass or in white thermoformed impact resistant plexiglass
- side mounting detail fasteners in black painted and chromed steel (optional total chrome or total brass fasteners)
- mounting to standard electrical junction boxes with horizontal center line 2 1/2" below top of luminaire (half) and centered on luminaire (full)
