

LEDRA? TRIO

Description:

The LEDRA Trio is a recessed fixture, with 10° swivel action. Pressure fit mounting hardware allows for no screws to be visible. The small size, long life, lack of UV, and cool beam through its frosted lens allows for a wide variety of applications.

Technical Specs:

700mA DC constant current input

~7.5W for 1 (3 x 3 Watt LED)

White source of 396 lumens

Warm White source of 336 lumens

Class II rated

Suitable for dry locations only

2 7/8" hole cutout required

1/8" - 1 1/4" material thickness only

Note:

Max of 3 fixtures can be wired when using a 40W Driver.

Part Numbers:

135251mc matte chrome, white

135251-1mc matte chrome, warm white
