

EMPEROR PENDANT

Moire Collection:

Tibet Pendant

Opium Pendant

Seen here is the **Emperor Pendant** from our Moire Collection of pendant lighting.

The Moire Collection of pendants - Tibet, Opium, and Emperor Pendant - are fabricated from numerous wires that are organized to define an overall shape. The resulting form is bold yet still visually “light”, allowing it to be at home in environments and interiors ranging from modern minimal to classic traditional.

The Emperor Pendant is finished in matt black with a black fabric shade. Fixture is also provided with six feet of field-cutttable cord to a round ceiling canopy. Includes 120 volt, 75 watt A19 medium base lamp.

Item No. **100KEM-BLK**
