

JOSEPHINE PENDANT

anthracite; clear transparent (back)

red

olive green

orange

black

The design of the **Josephine Pendant** is bold and young-blooded. The convex facets of the individual lamella add depth and character, letting the transparent material sparkle like crystal. The lamp radiates the luxury of a chandelier, yet seems weightless and almost ethereal, while the filigree structure evokes a mood of graceful elegance: the lamp virtually floats in the air.

The Josephine Pendant sheds the perfect light – in restaurants and in homes. In the office setting, it is ideal for conference rooms and reception areas.

Shade dimensions (L x W x H): 12-3/8" x 12-3/8" x 13-3/4" Fixture is also provided with six feet of field-cutttable cord to a round ceiling canopy. Includes 120 volt, 60 watt medium base clear globe lamp.
