

## BUTTERFLY SPOT

### Description:

The Butterfly Spot is a unique fixture that uses the back spill of the lamp to create the detail on the wings. Incorporated handle facilitates adjustment of the lamps direction. The wings can be easily adjusted. Uni-plug design allows fixture to be mounted on any lighting system or ceiling canopy through the use of an appropriate adaptor, not included.

### Technical Specs:

50W Max.

Lamp not included

GX5.3 socket type

### Part Numbers:
