

**Technical Specification Sheet**

**Screw**

A table inspired by the materials and processes employed during the Industrial Revolution. The aluminium thread allows for multiple heights by simply spinning the top. The lock bolt secures the position. Available in two different size tops: large and small. Suitable for indoor and outdoor use.

**Process** The tripod base is made from sand cast iron. The process involves compacting sand into a casting box around a tool which is carefully removed by hand. Liquid iron is poured into the cavity to form the shape. Once solidified, it is machined and hand polished to create the black powder coated finish. The marble top is machine cut. Variations in the colour of the marble may occur.

Year of design	2008	
Material	Cast iron, marble, aluminium	
Product code	Screw Table - Large	SCT01
	Screw Table - Small	SCT02
	Screw Base	SCB01
Type	Coffee Table / Dining Table	
Colour	Black / White	
Certifications	BSEN Certified	
Cleaning instructions	Use a soft damp cloth to clean the parts only, no abrasive agent. Assemble on a soft cloth to avoid scratching the frame.	

Packaging (m)	H	W	D
SCT01	0.30	0.90	0.90
SCT02	0.30	0.50	0.50
SCB01	0.56	0.44	0.70

Weight (kg)	
SCT01	43.90
SCT02	20.85
SCB01	14.30

Dimensions (cm / in)  
 Large:  
 Ø 90 cm / 35.4 in  
 H 55-84.5 cm / 21.6-33.2 in  
 Small:  
 Ø 60 cm / 23.6 in  
 H 55-84.5 cm / 21.6-33.2 in
