

# bazaar

hot finds & cool stuff

BY PHYLLIS VAN DOREN

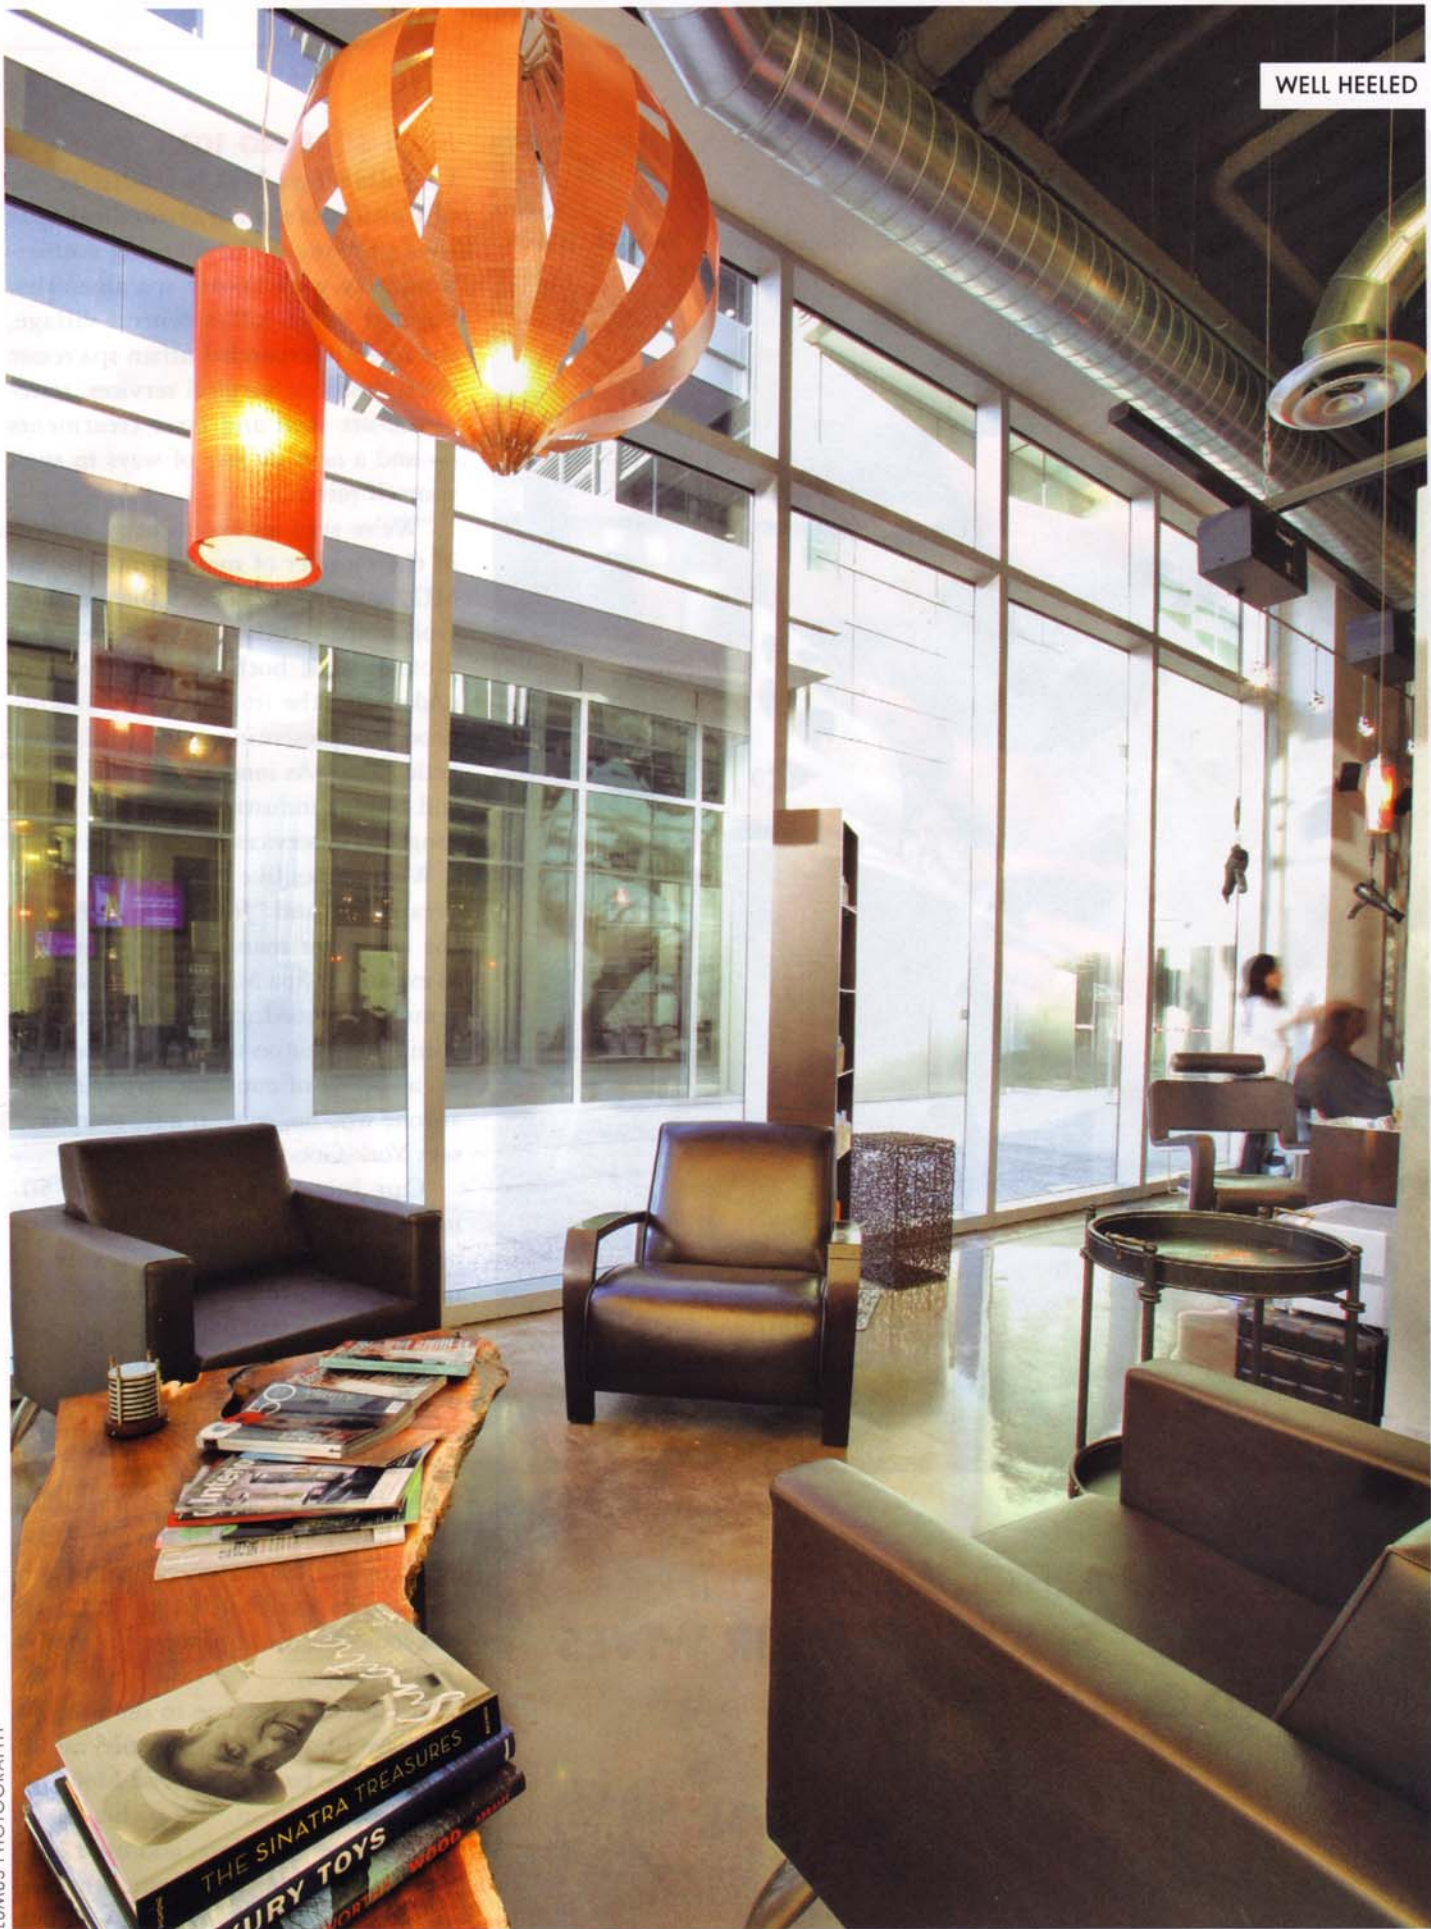

## Great for 2008

### LED ahead

Check out Tim Jackson's remodeled contemporary lighting showroom. Walls are painted with Benjamin Moore's *Pearl Finish* super white, a perfect background for an amazing array of designs, from New York to Milan, pendant to sconce. Artemide has its own showroom within. Window-shop at night when it's all aglow. Urban Lighting Inc., downtown.
