

ABOVE & BEYOND

Need a lift in the dining room? Go for lighting. The Foscarini line of pendants is a favorite of Tim Jackson's at his contemporary downtown showroom, Urban Lighting, Inc.

CAPTIVE COLOR

Diane James' decorative floral arrangements for fall and winter are hand-crafted to look like the real thing. These paprika- and cayenne-hued dahlias, roses and calla lilies come in an espresso-colored glass cylinder. Through your interior designer or online at www.DianeJamesHome.com. Also at Neiman Marcus. ∞
