Wood grain will vary

MATERIAL & FINISH OPTIONS

Aeris 30 part # 07-110 -

Aeris 54 part # 07-100 -

Metal finish:

brushed aluminum
black anodized

A |
B |

Wood body:

oiled walnut
dark stained walnut

W |
D |

Alternate voltage inputs are available

OK for a sloped ceiling

The Brevis fixture is the light engine for the Aeris

The Aeris was a collaboration with New York based designer Frank Carfaro of Desiron. The organic and often wild swirls of walnut grain are interrupted by rigorous slits and inlays that punctuate each face to create a beautiful juxtaposition, making each fixture unique. The glow of the illuminated wood seen through the cut slits creates a rich composition of light and shadow.

Nick Sheridan
