Ceiling mounted luminaires for diffused incandescent or fluorescent lighting for applications with a single diffuser unit or with an assembly of three or four diffuser units in a linear or nested configuration; custom configurations available.

**Materials:** diffuser in handblown venetian glass with satined finish • diffuser(s) supporting frame and canopy in die-cast aluminum with pale grey matte lacquered finish • mounting to standard electrical junction boxes • newly redesigned to incorporate compact fluorescent option utilizing GU24 base with integrated ballast and lamp holder

Plafonniers à éclairage fluorescent ou incandescent diffus; installation simple ou multiple permettant l'assemblage de trois ou quatre plafonniers pour obtenir une configuration en rangée ou emboîtée; configurations personnalisées possibles.

**Matériaux:** diffuseur en verre soufflé à la main au fini extérieur satiné • support de diffuseur et monture en aluminium au fini laqué gris pâle • se fixe aux boîtes de connexion électrique standard • modèle repensé compatible avec les ampoules fluorescentes compactes, base GU24 avec ballast et douille de lampe intégrés

Luminarias de techo para iluminación incandescente o fluorescente difusa para utilizar con un solo difusor o con un conjunto de tres o cuatro difusores dispuestos de forma lineal o anidada; configuraciones personalizadas disponibles.

**Materiales:** difusor de vidrio veneciano soplado a mano con acabado satinado • soporte de difusor/es y cubierta de fundición de aluminio con acabado laqueado mate de color gris pálido • montaje en caja de conexiones eléctricas estándar • nuevo diseño que incorpora una opción fluorescente compacta, que utiliza la base GU24 con balasto y portalámpara integrados
