

Name: CLUB-T

Design: Luís Viñas / 2012

Typology: Table lamp

Environment: Indoor

Technical description:

Table lamp with internal iron structure, finished in satin nickel. The shade is black finished aluminum, with a white, B1 flame resistant PVC interior lining and exposed steel screws. Upper black aluminum diffuser is included with fixture. Lamp rests on iron swivel disk, allowing for 360% rotation, and electrical cord features a lamp holder switch, or a pull-string switch. Additional metal lamp shades may be ordered separately as needed. Only the fixture finishing and lamp shade color are customizable.
