Light Shade Shade

'Light Shade Shade' is a one way mirror that reflects its environment as well as concealing the chandelier within. When the light is turned on, the 'Light Shade Shade' reveals its unforeseen identity and projects the former beauty that lies within.

Designer	Jurgen Bey (Droog design)
Year of design	1999
Material	Semi-transparent mirror film shade, metal frame structure. An old lamp (available in 3 varieties).
Additional	'Light shade shade' mirrored shade is also available to buy separately.

Detailing

The Light Shade Shade is part of the Moooi weer collection and may also be sold without the inner chandelier to breath life back to your aging chandelier.

Please refer to the manual for more information

Colour

Semi-transparent mirror

Cleaning Instructions

The Light shade shade lamps should first be cleaned with a dry cloth or duster to remove loose dust particles. Once this has been completed, a good non-smear glass cleaner and cloth can be used to enhance the reflective sheen of the mirrored film.

Packaging

LSS 47 - chandelier

H 52 cm | 20.5"
