

The revisitation of this great classic inspired by the Windsor style entails experimentation and the combination of different materials such as plastic and wood which are interpreted winningly in a *country chic* "wood" version with four oak-stained or painted ash wood legs and "rockers". A recollection of tradition and ancient emotions, reminiscent of the chairs gracing the verandas of colonial homes or the more familiar and nostalgic chairs of our grandmothers.

Available in (4) wooden leg, Sled, Swivel or Rocking version in a variation of color options.
