Octo 4240

Design by: Seppo Koho

Northern lights. Crafted by hand in Finland, Secto Design Oy lamps are an elegant study in Scandinavian simplicity. Light radiates through slats of birch in architect Seppo Koho's designs, true to his credo that "light should softly invite people to come closer."

With a shape reminiscent of the gilded onion domes of decades past, the Octo 4240 pendant lamp emanates a lantern-like glow.
