EMOZIONI LUMINOSE

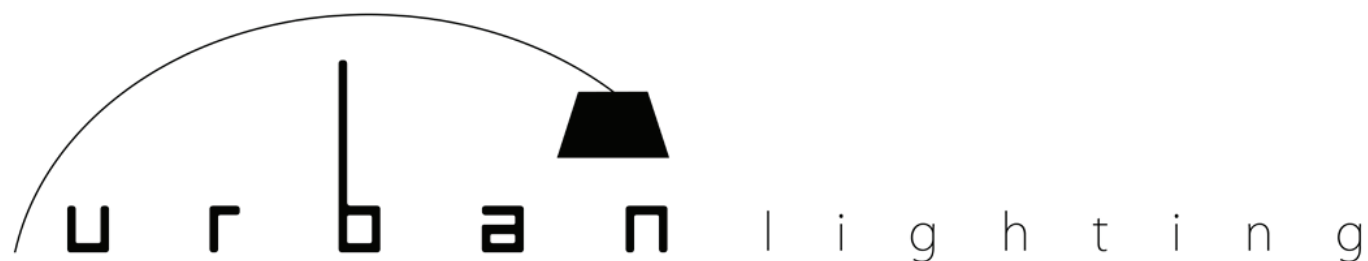

FOLIAGE è la famiglia di lampade a sorgente LED disegnata da Enrico Azzimonti per Lumen Center Italia. Il progetto si propone di riportare attraverso linee essenziali e giochi di luce indiretta le emozioni luminose che si provano standosene sdraiati sotto la chioma di un albero e osservandone le foglie.

BRIGHT EMOTIONS

Foliage is a LED light source family designed by Enrico Azzimonti for Lumen Center Italia. The project aims to restore, through essential lines and games of indirect light, the same bright emotions felt lying under a tree foliage and watching its leaves.

光のエモーション

「フォリアージュ」はルーメンセンター・イタリアのためにエンリーコ・アッズィモンティによってデザインされたLED光源を内蔵したランプのシリーズ。この優雅なラインでデザインされたランプは、樹木の下に横たわって木漏れ日を見上げた時に現れるような光の再現を目指して作られました。

FOLIAGE II

Design Enrico Azzimonti

Lampada da terra/parete della famiglia FOLIAGE disegnata da Enrico Azzimonti per Lumen Center Italia. Caratterizzata dalla grande foglia all'estremità della struttura, diffonde luce indiretta attraverso le sorgenti LED in essa collocate. Le foglie più piccole possono essere posizionate a piacere attraverso l'attacco a calamita, consentendo così di personalizzare il gioco di ombre proiettate. Disponibile nelle finiture bianco fine textured/bianco opaco, grigio sabbia fine textured/bianco opaco, oxyde fine textured/bianco opaco e emerald fine textured/bianco opaco.

Floor/wall lamp of FOLIAGE family designed by Enrico Azzimonti for Lumen Center Italia. Characterized by a big leaf on the top of the structure, the lamp diffuses indirect light through the LED light sources placed in it. Small leaves could be placed in a very personal way thanks to magnets, extending a light-shadows game. Available colour combinations: fine textured white/matt white, fine textured sand grey/matt white, fine textured oxyde/matt white, fine textured emerald/matt white.
