FOSCARINI

619.232.6064 | sales@urbanlighting.net | 301 4th Avenue | San Diego, CA 92101

Resulting from the desire to create a precious and charming lamp like a pearl bracelet, accommodated with a focus on light weight and transparency thanks to the use of PMMA, Caboche established itself from the onset as one of Foscarini's best-selling products, and it has become a genuine icon in the world of lighting and design. Rich, bright and sophisticated, Caboche is a mosaic of refractions, a perfect fusion of different personalities in the one form, coming together to create the body and light effect of the lamp. When it is turned on, the light

diffuses from inside the spheres like lots of bright crystals, providing 360° lighting of the surrounding environment and guaranteeing direct lighting on the underlying surface and reflection on the ceiling. This lighting emotion is also vouched by Led versions – affording high energy efficiency levels and durability - completely re-engineered in terms of lighting technology especially to ensure the same intensity, diffusion and temperature as the light produced by the original version. Caboche suspension lamp is a jewel of creativity and technology, available in

three sizes and two versions: transparent and yellow gold. The lamp is the perfect protagonist for homes or public areas, uniting visual impact with lightness, decorative value and functionality.

# Caboche, suspension technical info

**Description**

Suspension lamp with diffused light. Acidetched finish blown glass internal diffuser, satin finish opaline glass lower screen. In the small version, single acid-etched finish blow glass internal diffuser. External diffuser consisting of a crown of polycarbonate arches secured to a chromed metal mount and PMMA spheres. Fitted with three stainless steel suspension cables for the medium and large versions, one for the small version, and transparent electrical cable. Ceiling rose with galvanised metal bracket and glossy chromed batch-dyed ABS cover. Canopy decentralisation kit available. Multiple canopy for small version up to 6 suspension lamps.

**Materials** polymethylmethacrylate, blown glass, chromed metal and aluminium (LED)

# Caboche, suspension multiple composition

**FOSCARINI**

## Description

A technical solution that couples function with design harmony: The multiple ceiling flange of Foscarini makes it possible to create compositions up to 9 suspension lamps to create cascades of light of high emotional impact, particularly suitable to enrich a stair case. The standard multiple flange is designed to suit a large number of suspensions from both Foscarini and Diesel with Foscarini collections.

## Patricia Urquiola + Eliana Gerotto

Born in Oviedo (Spain), PATRICIA URQUIOLA studied in Madrid and graduated at Politecnico di Milano with Achille Castiglioni as a tutor. From 1990 to 2000 she collaborated with De Padova and Lissoni Associati. In 2001 she started her own design studio, through which she has collaborated with many brands at an international level. ELIANA GEROTTO was born in Venice. She started her career in Milan as a graphic designer. She got her degree in Communication Techniques at Fondazione Davide Campari in Milan. She worked in various fields as graphic, industrial designer, set curator and interior decorator.
