

GIRAFFA

DESCRIPTION

Smart and playful, Giraffa's endearing personality and versatile design are at home anywhere: on your desk, atop a nightstand, or tucked into a cozy reading nook. A 360° rotating shade combined with an angled post provides multiple lighting possibilities, allowing this petite lamp to cast both direct and ambient light. Giraffa is available in a trio of premium finishes: brushed copper, black anodized aluminum and gloss white lacquer. Giraffa's warm and fully dimmable LED light source is rated for 50K hours to provide a lifetime of personal enjoyment.
