

UMA SOUND LANTERN

DESCRIPTION

The revolutionary UMA Sound Lantern redefines the portable lantern for the modern age. Fusing state-of-the-art Warm Dim LED technology with 360° high fidelity surround sound, UMA provides a one of a kind portable light + sound experience, integrated seamlessly into a strikingly elegant design. Uma pairs touch sensitive volume control with an intuitive full-range light control dial and features Bluetooth connectivity to stream the highest quality audio wirelessly from any mobile device. A premium leather strap allows for easy portability, and a protective jacket allows UMA to go anywhere you want to go. Invoking the primal symbol of the lantern and the warmth of a campfire, UMA is the perfect centerpiece for social gatherings and intimate moments indoor and out.
