

When reaching such a distance with a fixture, it is important that it feels visually efficient in its form but is still far from fragile, inviting one to linger under it. The adjustability in the reach and the height of the shade make it possible to custom fit the piece to its surroundings- an important characteristic for such a large piece.

Nick Sheridan
Designer

Valeo floor

Dimensions - 95" H - 25" Ø shade
Solid wood, aluminum, fabric shade, black powder coated steel base (CM-049)
Product weight - 95 lbs
Universal medium base E26 socket
Included LED A19 bulb
